<input type="checkbox"/> Senior Passive	Members of 25 years and above who are not active riders	25,- kr.	400,- kr.

Riding Club

Lyngby-Taarbæk Riding Club is a sports club driven by voluntary, unpaid labor under the Danish Public Information Act. The club is a member of the municipal joint association of sports clubs and the Danish Equestrian Association/Danish Sports Confederation.

Membership

Enrollment during January – July: A registration fee of DKK 25 plus full year membership fee is charged.

Enrollment during August – December: A registration fee of DKK 25 plus half year membership fee is charged.

Termination of membership to be given in writing at one month's notice to LTR's office. Termination will be effective as per 31 December.

Date of birth must be stated in order for the riding club to receive grants from municipal authorities.

If date of birth is missing for Junior and Youth members, a Senior membership fee will be charged.

If the termination period (when riding is free of charge as per deposit paid, refer "Riding Academy") falls partly or fully during the first quarter of a calendar year, a half year membership fee is to be paid.

Riding Academy

Payment for riding instruction must be made in advance on the first riding day of the month. In addition, a deposit of three months' riding is charged together with the first payment upon enrollment. There is no refund of the deposit, but after timely notice of termination riding is free of charge as per deposit paid. Monthly payments must be made by use of the Danish Betalingservice. Otherwise a monthly administration fee of DKK 100 will be added. For late payments, an extra fee of DKK 100 will be added.

The monthly fee is based on four weekly lessons per month. Months with five lessons make up for weekdays with public holidays. Lessons cancelled by the instructor will be replaced. Absence from lessons will not be replaced or refunded. Notice of absence from lessons must be sent by SMS to Kate and instructor on the same day before noon. This is mandatory in order to be able to plan the daily activities of horses and ponies.

Notice of termination of lessons must be given in writing by at least three months' notice to the first day of a month for class lessons and at least one month's notice for private lessons.

_____ Date

_____ Signature (parent signature for junior members)
